# GENERAL PAGE LAYOUTS:

Main page layout

Math Posts | Code Posts | Misc Posts | Personal ← Header with links to various pages

Page content here

Post page layouts

Math Posts | Code Posts | Misc Posts | Personal ← Same header as main page

Posts are displayed here. Posts will be scrollable in chronological order
With a title and body component at least. Clicking a post title opens a
Page with the main page layout with the post body as the page content
Section.

Navbar indexing
posts by data
and by post title

Personal page layout

Math Posts | Code Posts | Misc Posts | Personal ← Same header as before
